RE: Coronavirus Protocols announced by Governor Mike DeWine

In compliance with the Coronavirus pandemic protocols announced by Governor Mike DeWine today, and in keeping with the guidance from Bishop David Bernard's news bulletin this evening, the Ohio District Board has suspended all Ohio District public meeting functions for a period of three weeks beginning Monday, March 16 and continuing through Monday, April 6. These dates coincide with the Governor's announcement regarding public school closings.

This includes Bible Quiz tournaments and all rallies. Additionally, the Ohio District Children's Ministries Conference scheduled for New Life Tabernacle in Massillon tomorrow and Saturday has been cancelled.

Very Sincerely,

James H. Stark
District Superintendent
Ohio District, UPCI
